DETAILED ACTION

Information Disclosure Statement

This office acknowledges receipt of the following items from the applicant:
Information Disclosure Statement (IDS) filed on 19 March 2009. The references cited on the PTOL 1449 form have been considered.

Allowable Subject Matter

Claim 1, 5, 6 and 8 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding Claim 1, the prior art of record alone or in combination neither teaches nor makes obvious the invention wherein each of the pixel control devices controls 3 colors x 4 pixels arrayed in 2 columns and 6 rows and is transferred to a center of the pixels arrayed in 2 columns and 6 rows in combination with all of the limitations of Claim 1.

Regarding Claim 5, the prior art of record alone or in combination neither teaches nor makes obvious the invention wherein in the step of fixing the device substrate onto the support substrate, the integrated circuits on the device substrate are directed downward toward the support substrate, and wherein in the step of fixing the device substrate on the support substrate onto the pickup substrate, the device substrate is

flipped so that the integrated circuits face upwardly on a side opposite to the pickup substrate in combination with all of the limitations of Claim 5.

Regarding Claim 8, the prior art of record alone or in combination neither teaches nor makes obvious the invention of forming wirings inside the pixel control devices so that inside wirings pass through the pixel control devices; and forming wirings on the planar display substrate by screen printing using a screen mask having a predetermined pattern corresponding to wirings connected to the inside wirings of the pixel control devices in broken-line patterns in combination with all of the limitations of Claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
